## **READING OF MINUTES**

**October minutes were not available**

**Guard Liaison:** Cheryl Macerelli reported that she tried to get an inventory of guard uniforms and supplies but was told they were not in the equipment room anymore.

**Secretary:** Not present. Mary Matthews was asked to send an email to Karen Bechtold about the October Minutes.

**Treasurer:** Kim Wesolek reported that there was a \$225.00 extra fee For BOA for Ray the Driver of the equipment trailer. The cost of BOA was to be \$600.00 more because of the evening activities, however, due to the weather the band returned early so \$500.00 of this extra fee will be returned. The question of refunds for BOA due to illness was presented. Since all the money was paid prior and is not refundable, a vote was called and unanimously decided that a refund cannot be given. In the future, the BOA information need to state non-refundable.

**Vice President:** See Fundraising in New Business. The Board voted unanimously that a portion of all future sales need to go the regular band booster general account. The board voted unanimously to suspend Contributions to the Band Aide account for now.

**President:** See subjects in New Business.

## **OLD BUSINESS:**

**Cookie Dough Fundraiser:** Diane Boyer stated that the cookie dough sales did not meet the 100 to get free shipping, Diane will check with Jane Gruber for Final Status.

**Powder Puff Football Game:** Mary Matthews supervised the use of the concession stand for the teachers the event completed without incident. This will most likely be an annual event for the School classes and directly reduce the cost of events like the PROM.

**Lancer Car Flags:** Mary Matthews reported that less than 10 car flags have been sold to date. We will continually try to find ways to sell them.

## **NEW BUSINESS**

Winterguard MS and HS: Mary Matthews stated that due to our limited success at the concession stand (due to the weather) there will be a fee to each member of both MS and HS winter guard. Kim Wesolek is attempting to meet with Ms. Earls so that the cost can be determined.

Hoagies: Mary Matthews stated that orders are due on 11-10-09 and pick-up is 11-16-09.
